With a recorded mileage of 83,900 miles, this vehicle offers a sensible balance of usage for its age. It is powered by a 2.0-litre diesel engine that meets Euro 6 emission standards, making it a practical choice for those who value efficiency alongside reliable performance. The driving experience is enhanced by a 3-spoke leather multi-function sports steering wheel, which includes shift paddles for greater control. Practicality is a key strength of this model, as it provides a large boot space suitable for everyday needs, while the dual-zone electronic climate control ensures comfort for all passengers. Connectivity is straightforward thanks to the integrated mobile telephone preparation with Bluetooth interface. Furthermore, the vehicle delivers responsive performance, capable of accelerating from 0 to 62mph in 8.2 seconds, which provides a confident and capable feel on the road compared to many other cars in its class.
